

**WE ARE MAKING CHANGES TO OUR STORAGE  
RATES AND PROCEDURES:**

**EFFECTIVE APRIL 1<sup>ST</sup>, 2017**

**We feel as a business the need to raise our storage prices to adjust with today's market. We hope in doing so that we can provide a safe, clean, and maintained environment for you and your family.**

**New rates are as followed:**

**Monthly "Plugged" - \$100.00 per month  
(Refrigerator only)**

**Monthly "Unplugged" - \$40.00 per month  
(No power)**

**It is now required for any person whose camper is in storage on either of the two rates to keep an up to date credit card on file as well as have your billing set to "*auto-pay*."**

**We appreciate your understanding,  
Management**
